Attn: Mr Larry Hughes

Dear Mr Hughes:

I am writing to thank you for the very thorough home inspection carried out for me on the house in Glasgow Pines. In my own prior walk-through, I missed many of the points highlighted in your report.

The owners made good the damage to the subfloor and joists which you found in the basement and we closed the sale just over a week ago.

I don't hesitate to recommend Alpha Engineering Inc. to anyone looking for a first rate home inspection service.

Thank you again.

Yours sincerely,
